## Representing High Technology Manufacturers Since 1987

Technical Marketing Specialists (TMS) is the Premier Manufacturer's Representative Company for Electronic High Tech Solutions in the Rocky Mountain/Southwest Territory. Our territory includes the states of Colorado, Utah, Arizona, New Mexico, Idaho, Wyoming, Montana, Nevada, and El Paso County, Texas.

### Test & Measurement

- General Purpose Test Equipment
- RF, Microwave and Communication Instrumentation
- AC & DC Power Supplies and Systems
- ATE, VXI and PXI Test
- Data Acquisition • EMC and Compliance Equipment

### TMS Systems

- Board Level Products, Enclosures and Backplanes
- VME, cPCI, PC/104, ATCA, uTCA, ETX, AMC, XMC, PMC
- Vision and Imaging Systems
- Military, Aerospace, GPS and Timing Products
- Telemetry Boards, Recorders and Systems

### TMS Electronics

- Accelerometers, Sensors, Switches and Transducers
- Displays, Gauges and Instruments
- Crystal and Clock Oscillators, RF Ceramic and Discrete Filters
- OEM Power Supplies
- LEDs and Lighting Products

## OFFICE LOCATIONS

Denver - (303) 488-0220

Phoenix - (480) 929-0009

Albuquerque - (800) 342-8408

## Delta Power (CO & UT Only)

Switching Power Supplies • DC/DC Converters • AC/DC Wall Adapters • UPS • Telecom Power Systems • Energy Saving Ballasts

## Dialight

Lighting Solutions from Indication to Illumination • Circuit Board Indicators - Through Hole, Discrete LEDs, Light Pipes & Prisms • Panel Mount Indicators - for a wide range of Industrial & Military Applications • Illumination • Solid State Lighting • Vehicle Lighting

## FCT Electronics

Leading Supplier of RF/Microwave Interconnect Solutions • Non-Magnetic Connectors • Cable Assemblies • D-Subs • Contacts • Hoods • MIL & Circular Connectors • RoHs Compliant Products

## Fischer Connectors (CO & UT Only)

Circular Connectors • High Performance Multi-Pin & Coax in Metal & Plastic • "Over Molded" Cable Assemblies

## Honeywell Sensing & Control

Honeywell Sensing and Control's Family of Products Include:

**Sensing & Control** • Mass Airflow • Hall Effect • MR Sensors - IR Sensors • Liquid Level Sensors • Current Sensors

**Micro Switch** • Limit & Enclosed Switches • Explosion Proof • Machine Safety Products • Toggle & Push Button Switches

**Clarostat** • Potentiometers • Encoders • Photoelectric & Optical Switches

**Electro** • VRS Speed Sensors • Position & Rotary Sensors

**Elmwood** • Flex Heaters • Precision & Commercial Thermostats

**Fenwal** • Thermistors • Humidity Sensors • Platinum RTDs

**Hobbs** • Vehicle Switches & Controls • Hour Meters • Lighting • Pressure Switches

**NEI** • High Precision Aerospace Potentiometers & Resolvers

**SenSym** • Piezo Pressure Sensors & Force Sensors

**Data Instruments** • Stainless Steel (Media-Isolated) Pressure Sensors • Position Sensors

## Honeywell

## MICRO SWITCH

DATA INSTRUMENTS

## Honeywell Aerospace

Precision Digital Pressure Transducers • Explosion-Proof and Ruggedized Precision Pressure Transducers • Precision Digital Barometers & Altimeters • High Reliability Thermal Switches

## Magnetics

Magnetic Field Sensing & Sensors for Electronic Compassing & GPS • Dead Reckoning • Linear & Angular Position • Magnetometers

## Honeywell Test & Measurement

### Sensotec & Lebow

Pressure Transducers & Transmitters • Load Cells • LVDT's • Accelerometers • Torque Transducers • Instrumentation & Displays • Digital Pressure Gauges

## Koehlke Components

Custom Cable Assemblies • Electro-Mechanical Assemblies • Mechanical Assemblies & Sub-Assemblies

## Mega Electronics

Dedicated one stop solution company for designing, manufacturing, and delivering Power Cords • Power Supplies • DC/DC Converters • DC/AC Converters

## Meggitt's Endevco® Brand Products

Aerospace, OEM & Test & Measurement Sensors • Piezoelectric & Piezoresistive Accelerometers • Variable Capacitive & Isotron Accelerometers • Dynamic Pressure Sensors • Piezoresistive & Piezoelectric Microphones

## MITEQ (AZ & NM Only)

Microwave Control Products • RF & IF Signal Processing Components • Fiber Optic Products • Integrated Multifunction Assemblies

## Ohio Semitronics (AZ & NM Only)

Electrical Voltage • Frequency & Current Measurements • Power & Energy Monitoring Sensors

## Telonic-Berkeley Inc. (AZ Only)

Turnable Bandpass & Bandstop Filters Set For Industries Standards for Performance, Quality, & Versatility • HF, VHF, L-Band & S-Band

## Tenergy

Batteries, Ni-MH, Ni-Cd, Li-ion, LiFeP04, Battery Packs, Battery Chargers, Power Inverters

## Wilson-Hurd

Wide Range of Switching Products Including: Membrane Switches • Elastomeric, Plastic, & Metal Keypads • Capacitive Touch Switches & PiezoPanels
